

## REMARKS

Support for this Sequence Listing appears in the parent application, USSN 10/057,270 filed January 26, 2002. The sequence listing is identical to that originally filed except for forematting and formal requirements as advised by STIC. The Sequence Listing contains no new matter beyond the original disclosure in the parent application (37 CFR 1.821(c)). The Sequence Listing is 2KB in size, was created on January 25, 2012, is presented in ASCII text and the Document Code is SEQ.TXT. The only amendments to the Specification are to provide the incorporation by reference required by 37 CFR 1.821(c) and to provide figures 10A, 10C and 10C on separate pages as required

In this response, the Claims were not amended and no new matter or estoppel is involved. Any necessary (small entity) charges can be charged to USPTO Deposit Account 200336 of Technology Licensing Co. LLC. Correspondence may be addressed to Customer No. 26830.

The Examiner is especially invited to urgently pass this Application to Issue as Notice of Allowance has already been received.and to email Applicants' Attorney if that is needed to expedite issue of this Application.

Respectfully submitted,
